Writer | Software Developer | Technician

Objective:

As a software developer with a background in content creation, I am seeking a technical writing position to deliver high-quality, accessible help content to a wide audience and customer base.

Experience:

DATABASE SERVICES, INC. **Software Developer**

April 2019 – Present
Winter Park, Florida

- Develop various software properties in C#, Vue (JavaScript), T-SQL and VB.NET using tools such as Visual Studio, Visual Studio Code, Microsoft SQL Server Management Studio and GitHub.
- Worked with process serving business owners to gather information and resources to build out client websites in a mobile-friendly and easy-to-use manner.
- Create content (including copy) for client websites while following SEO guidelines.

COMPLETE PRODUCTION RESOURCES **Technician/Manager**

May 2012 – April 2019
Orlando, Florida

- Performed IT duties such as website maintenance in PHP (www.cprhq.pro) and upkeep for email servers.
- Coordinated and managed the distribution of music gear on cruise ships for each performance by creating and updating a series of easily accessible digital grids.
- Ensured performing artists had access to functional equipment that was put through a rigorous quality control process.

DEMAND MEDIA STUDIOS **Video Talent Producer & Writer**

Feb. 2010 – May 2012
Work-at-home position

- Coordinated with subject matter experts to shoot and produce education videos.
- Used the Internet to extensively research certain topics and cite those websites.
- Edited assignments to ensure they follow the format and style guide of the niche website they were published to.

CONSUMERSEARCH **Writer/Product Review Amalgamator**

Oct. 2007 – May 2009
Work-at-home position

- Wrote reports that were easy to read and helped consumers choose the best products in their class.
- Updated and organized existing reports to rank various tech products according to industry professionals.
- Worked in conjunction with an editor to publish new and existing reports aimed to help people make informed purchases.
